

Membership in the Unity Club can be your way of engaging in service work. You would be practicing the 12 steps by helping to carry the message to others in recovery and freely giving back some of what you has been freely given.

Membership dues are \$120.00 per year – or just \$10.00 a month and they are tax deductible. We encourage you to join today. All new members will receive a Unity Club coffee mug to be used at the coffee bar for \$1.00 refills. In addition, members will be emailed the monthly newsletter and are encouraged to attend the annual meeting.

Complete the following form and submit it as soon as possible. Fees can be submitted as cash, check or credit card or recurring monthly payments.

We welcome you to become a member of the Unity Club.
